## Here to Help

### FINANCE MADE SIMPLE FOR YOUR EQUIPMENT

Looking to finance your next purchase? We've partnered with trusted lenders to make the process easy and tailored to your needs.

- **CASE & Case IH Equipment** – We'll introduce you to CNH Industrial Capital, specialists in agricultural and construction finance.
- **Other Equipment** – For everything else, our friends at Dealer Net Finance provide a range of flexible options.

If you'd prefer to use your own finance provider, we're happy to work together with them to make sure everything runs smoothly.

Please note: We don't act as your agent, but we can introduce you to a select group of lenders who may help finance your purchase.
